SAVES DAUGHTER

Advice of Mother no Doubt Pre-
vents Daughter's Untimely End.

Ready, Ky.—"I was not able to do
anything for nearly six months," writes
Mrs. Laura Bratcher, of this place, "and
was down in bed for three months."

I cannot tell you how I suffered with
my head, and with nervousness and
womanly troubles.

Our family doctor told my husband he
could not do me any good, and he had
to give it up. We tried another doctor,
but he did not help me.

At last, my mother advised me to take
Cardui, the woman's tonic. I thought
it was no use for I was nearly dead and
nothing seemed to do me any good. But
I took eleven bottles, and now I am able
to do all of my work and my own
washing.

I think Cardui is the best medicine in
the world. My weight has increased,
and I look the picture of health.

If you suffer from any of the ailments
peculiar to women, get a bottle of Cardui
today. Delay is dangerous. We know
it will help you, for it has helped so
many thousands of other weak women
in the past 50 years.

At all druggists.

Advisory Dept., Chattanooga, Tenn., for Special

IT'S TRUE

Mother has had her picture
taken rather oftener than father
has—but even she hasn't in

will never do to send to Aunt

She wears her hair so much
more becoming now—and any-
way, its high time there was

Third Street M. E. Church.

Revival services continue with in-
creasing power and success at the Third
Street M. E. Church. Services this
evening at 7:30 with sermon by the
pastor who will also preach tomorrow
at 10:45 a. m. and 7:30 p. m. Rev.
Buntun goes to Covington today to
preach in his own church tomorrow; he
will return Monday and will preach ev-
ery evening next week and will stay
over the next Sunday which is expected
to be the "crowning day" of the meet-
ing. A great men's meeting on Sunday
afternoon is in contemplation announce-
ment further of which will be made as
plans take shape. Mr. Trent the pianist
will remain for every service of the
meeting thus assuring good music.
There will be the usual Sunday School
services tomorrow at 9:30 a. m. Come
and join in a "big growing school."
The Epworth League will meet at
6:30 p. m. with Mr. I. M. Lane as
leader.

The church was crowded to its ca-
pacity last evening when Dr. Buntun
preached more especially to the young
people. All who heard him will agree
that it was good for old and young
alike. At the close of the sermon nine
persons responded to the invitation for
church membership. It was an inspir-
ing sight to see the young folks who
have been under careful training in the
Sunday School, come into full fellow-
ship with the church. And it was good,
too, to see older persons take the stand
for Christ and his church. The pastor
and membership of the church are glad-
ly encouraged at the prospect for such
a splendid revival.
The invitation is to everyone to at-
tend these services. You are missing
a great opportunity to hear a great
preacher if you miss these services.
J. M. LITERAL, Pastor.

TOMORROW'S

SUNDAY SCHOOL LESSON.

The Lawful Use of the Sabbath.

This next Sunday's lesson makes
clear some things about the right and
the wrong use of the Sabbath in Jewish
times. We now have Sunday or Sun-
day's day, as our special day of wor-
ship.

Some of Maysville's Christians do not
make any difference between Sunday
and any other day in the week. They
look after business affairs as much on
that day as they do on any other. The
Christian people, next to the city of
Heaven, are responsible for there being
so many stores open on Sunday. "Fess
up!" now you good church folks. Don't
wait until Sunday morning to buy
your Sunday meat and bread and
eggs, etc. By doing so you make it
necessary for that grocer or meat mar-
ket man to keep open on Sunday. If
you have no thought about your own
wrong, haven't you any regard for
those whom you make to work on the
Lord's Day?

Why can't Maysville be as consist-
ent as hundreds of other places and so
keep its stores locked up over Sunday?
It would not be enforcing the blue laws
if our Council would enforce the Sun-
day closing ordinance if there are any
About ninety per cent. of the grocery
stores, which keep open in the resident
districts do so because the others in
their neighborhood are open. If all
would be forced to close, no man could
take advantage of those who would
close voluntarily.

Therefore, Minister Councilman, or Mr.
Policeman, if these who keep OPEN
can't come to some agreement to im-
prove by which they all close on Sun-
day, then it is up to you to see that
ordinances are passed or enforced which
will close up all unnecessary trafficking
on Sunday.

Charles Ryan, a negro burglar, was
shot to death yesterday at Lexington,
by Patrolman Lawrence Piercy.

C. Hunter Raine, charged with wreck-
ing the Mercantile Bank at Memphis,
was arraigned and pleaded not guilty.

Miss Lottie Mallory of Washington
is the guest of Mrs. Belva Shumaker on
West Second street and Mrs. Ella Co-
burn on East Third.

Our Colored Citizens.

Word has been received of the death
of the infant son of Dr. Everett Bailey,
of Louisville, Ky. Dr. Bailey is the
son of Rev. and Mrs. S. Bailey, of
Maysville. The father, mother and son
Leland are at present spending a few
days with the bereaved parents.

Bethel Baptist Church.

Sunday School at 9:30 a. m.
Rev. G. M. Moore of Lexington, will
preach morning and evening at the
usual hours. Baptismal services after the
morning sermon. We hope to see many
of the members and friends at each of
these services. Reading of Church
Covenant to all new members at the
evening service.
All are welcome.
R. JACKSON, Pastor.

Scott's Chapel.

Tomorrow will be the closing services
of the conference year at Scott's. The
pastor will leave for conference Mon-
day. Services as follows: T. A. M.
early prayer meeting, 10:45 a. m.
preaching by the pastor, 12:15 p. m.
Sunday School, 3:00 p. m. Bible Class
meeting, 6:45 Praise Meeting, 7:30
closing sermon by the pastor.
Friends and members are most cor-
dially invited to attend.

Farmers

Have you ever tried our way
of borrowing money to pay for
a farm

You, of course, know that
most farms are sold for one-
third cash and the balance of
the payment is represented by
lien notes due in one and two
years. You also know that
there are times when it is im-
possible to pay these notes
when they become due.

Our specialty is lending
money on good farms for
LONG PERIODS. Would you
rather have five years to
pay the balance than two years?
Any one expecting to buy
farms this March will do well
to come in and consult us about
getting the money.

We have been giving satis-
factory service for 24 years.

COULD NOT STAND ON FEET

Mrs. Baker So Weak—Could
Not Do Her Work—Found
Relief In Novel Way.

Adrian, Mich.—"I suffered terribly
with female weakness and backache and
got so weak that I

could hardly do my
work. When I
washed my dishes I
had to sit down and
when I would sweep
the floor I would get
so weak that I would
have to get a drink
every few minutes,
and before I did my
dusting I would have
to lie down. I got
so poorly that my folks thought I was
going into consumption. One day I
found a piece of paper blowing around
the yard and I picked it up and read it.
It said 'Saved from the Grave,' and
told what Lydia E. Pinkham's Vegeta-
ble Compound has done for women. I
showed it to my husband and he said,
'Why don't you try it?' So I did, and
after I had taken two bottles I felt
better and I said to my husband, 'I don't
need any more,' and he said 'You had
better take it a little longer anyway.' So
I took it for three months and got
well and strong."—Mrs. ALONZO E.
BAKER, 9 Tecumseh St., Adrian, Mich.
